# Modern Slavery and Human Trafficking Statement 2022/2023

The Modern Slavery Act 2015 requires certain organisations to produce an annual statement setting out the steps they have taken to ensure there is no modern slavery in their own business and their supply chains.

As a public sector organisation Hereford & Worcester Fire Authority (HWFA) is committed to the principles of the Modern Slavery Act 2015 and the abolition of modern slavery and human trafficking. We are making the statement in line with the ethical principles of the <a href="NFCC Core">NFCC Core</a> Code of Ethics for Fire and Rescue Services.

This statement sets out the steps that HWFA has taken to prevent modern slavery in its supply chains and own business.

### About Us

The Fire Authority is composed of 25 Members, all of whom are local councillors appointed by Worcestershire County Council and Herefordshire Council in proportion to the size of the population of those two counties currently as follows:

HWFA has a constitution which sets out how it operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to local communities. Some of these processes are required by the law and others HWFA has chosen to implement.

HWFA oversees Hereford & Worcester Fire and Rescue Service which serves a population of approximately 791,700 across the two counties of Herefordshire and Worcestershire. HWFA employs 693 members of staff, working in 770 roles and in 2021/22 had a budget of £35.3 million.

The <u>Annual Service Plan</u> sets out our purpose and values along with the priorities for 2022/23 to help to deliver the <u>Community Risk Management Plan 2021-25</u>, which sets out our mediumterm priorities to keep people safe, support our workforce and deliver value for money.

# Policies in relation to Modern Slavery and Human Trafficking

#### **Procurement**

Due to the nature of our organisation, we assess ourselves to have a low risk of modern slavery in our business and supply chains. Our supply chains are limited and we procure goods and services from a restricted range of UK and overseas suppliers through the open market and via UK government frameworks. Our due diligence requirements are set out in our procurement terms and conditions, which include:

- <u>Contract Standing Orders</u> when assessing the appropriateness of suppliers, e.g. those to whom the requirements of the Modern Slavery Act 2015 apply, we consider the supplier's Anti-Slavery and Human Trafficking Statement, their Whistleblowing Policy and Ethical Framework and Code of Conduct and evidence of compliance.
- Ethical Code in Relation to Procurement HWFA colleagues are advised not use suppliers whose own corporate procurement practices and conduct whether directly or indirectly are deemed to be in breach of the Modern Slavery Act 2015.
- Contract Terms our contracts contain terms for default events and breaches of contract
  which could be invoked should a supplier be found to have failed to meet their obligations
  under the Modern Slavery Act 2015 or other applicable laws.

#### **Our Policies**

As an equal opportunities' employer, we are committed to creating and ensuring a nondiscriminatory and respectful working environment for our colleagues. We want all colleagues to feel confident that they can expose wrongdoing without any risk to themselves.

Our recruitment and people management processes are designed to ensure that all prospective employees are legally entitled to work in the UK and to safeguard employees from any abuse or coercion.

HWFA consults with trade unions on the development of policies and has the following policies in place to help it meet the requirements of the Modern Slavery Act:

- Whistleblowing Policy HWFA is committed to the highest possible standards of openness, probity and accountability. We expect colleagues who have serious concerns about any aspect of the Service's work to come forward and voice those concerns. - **Dignity at Work Policy** this policy promotes a positive and supportive working environment which is free from harassment, bullying and victimisation; where individuals are confident, if they bring a complaint in good faith, that the matter will be dealt with according to the agreed procedures without fear of subsequent victimisation or disadvantage.
- Recruitment Policy HWFA has a robust policy in place to ensure colleagues have a right to work in the UK, with checks made before employment including appropriate reference checks, and that they are paid directly into an appropriate, personal bank account.
- Pay Policy pay for all HWFA colleagues is determined by the Local Government Employers with the Employers' Sides of the National Joint Council for Local Authority Fire and Rescue Services, the Middle Managers' Negotiating Body, the NJC for Brigade Managers of Local Authority Fire and Rescue Services, the Fire and Rescue Authority locally and representative bodies nationally. ## Safeguarding

HWFA is committed to safeguarding adults with care and support needs as well as children and young people across the two counties. HWFA has guidance in place for all colleagues who engage with the public, whether operational colleagues through the emergency response provided or by colleagues and volunteers in respect of our protection and prevention work.

The guidance includes a reporting process and safeguarding training is in place for all Service personnel including volunteers.

HWFA is also involved in various Multi Agency Targeted Enforcement (MATE) operations, with partners such as Trading Standards, Environmental Health, Housing, West Mercia Police and Home Office Immigration Enforcement. The information generated through the initiative helps to target the enforcing agencies resources to help protect those who may be at risk of slavery or human trafficking.
